11. [] Marshall Wright, Deputy Assistant Secretary of State for Congressional Relations, called to say Tom Korologos, of the White House, has been in touch with Senator Hugh Scott's (R., Pa.) office and believes the Senator will introduce an amendment to the Foreign Relations Authorization Act of 1972 (S. 3526) striking section 504(a) which would impose a 10 percent personnel cut on U.S. personnel abroad. Wright suggested we get in touch with Scott's office and support this move with whatever material we could provide them and then make our contacts on the Hill to line up votes.

12. [] Talked with Ed Braswell, Chief Counsel, Senate Armed Services Committee, about Marshall Wright's call. Braswell said the White House had called him at home last night about Senator Scott's introducing the amendment to strike the 10 percent personnel cut. He said Senator Stennis had planned to introduce his amendment to exempt the Agency from this cut, but was unable to do so. In view of the Scott arrangement, he said they would hold off on the Agency exemption until they see whether the motion to strike is successful.
